

# 204 Jefferson Ave

4,200 sf residence

Bed-Stuy Brownstone Landmarked single family renovation into two family building. Renovation features a rehabilitation of turn of the century millwork, tiffany stained glass windows and the integration of an open plan kitchen and living spaces. Infrastructure upgrades of state of the art mechanical systems set in a contemporary layout. Middle Eastern and European textiles and ceramics influences in a professional home kitchen connecting to the exterior garden.
